

# Glo on your special day!

*glominerals™ is the perfect makeup to wear when you say "I do!"*

**B**rides love wearing *glominerals™* because it delivers a flawless finish with continuous, long-lasting coverage. *glominerals™* is non-comedogenic and water-resistant, allowing any bride to dance the night away while her skin feels as if she had nothing on.

*glominerals™* provides broad-spectrum UVA/UVB protection, perfect for any bride with an outside wedding! It feels weightless on the skin, giving a natural, airbrushed finish while photographing beautifully.

*glominerals™* color palette is full of fashionable hues and classic color favorites, all rich in pigment and ready to wear. With soft textures and dreamy shades, *glominerals™* is a blissful union of fashion and timelessness, inspiring an enchanting wedding day and the perfect glo!
